Building tomorrow's leaders of Native nations

"It was a great experience and I enjoyed every bit of it. I will hope to take the things I have learned at this camp to the future. This is an experience I will never forget."

- Cecily St. Cyr, Winnebago Tribe Nebraska, NAYEC

The Native Nations Institute (NNI) serves as a self-determination, governance, and development resource for Native nations in the United States, Canada, and elsewhere. NNI fulfills this mission through hands-on collaboration, practical research, and cutting-edge educational programs designed to assist Native peoples as they rebuild their nations according to their own designs.

In 2002, NNI established the NNI/Roger Willie Charity Golf Tournament to support this vital effort. In the seven years since its inception, the Charity Golf Tournament has raised critical funds for NNI's programs to the direct benefit of Native nations across Indigenous Country.

The 2009 NNI/Roger Willie Charity Golf Tournament looks to strengthen the future of Indigenous Country. Funds raised by the tournament will support NNI programs designed to build tomorrow's leaders of Native nations—our youth. Your participation in the tournament will enable NNI to provide scholarship opportunities for the Native American Youth Governance Camp and the Native American Youth Entrepreneurship Camp, two summer programs that instill comprehensive governance and business skills in Native American youth so that they can play leading roles in creating brighter futures for their communities and nations.

Please join NNI in this important charitable cause and together we can create a brighter future for Indigenous Country. We hope we can count on your support!
